'**Shrubs**' - A Shrub Is A Concentrated Syrup, Where We Sous Vide Fresh Fruits, Herbs, Spices & Demerara Sugar To Create Our Own Homemade Infusions. Unlike Other Purées That Are Traditionally Used, We Use A Dash Of Organic Apple Cider Vinegar To Keep Our Shrubs Fresh Without Adding Any Nasty Additives, Preservatives Or E Numbers

'**Aquafaba**' - Our Vegan & Eco-Friendly Alternative To The Egg White, Commonly Used To Create The Silky Cocktail Foam Where The Yolk Is Often Wasted.
